The petitioner is granted a regular permit to operate on the route Pathanamthitta – Kodumon (via) Kodumthara, Thazhoorkadavu, Kochalammoodu and Angadical-Kodumon. His grievance is that the first and second respondents are not settling the timings and issuing permit.

2. I have heard the learned Government Pleader also. He submits that permits can be issued only in the order of priority of grant of regular permits which is the direction issued by this Court in another case.

3. In the above circumstances, there would be a direction to first and second respondents to settle the timings and issue permit to the petitioner in the order of priority of granting regular permits.

The writ petition is disposed of as above.

Judge
